Children who are about to Reach 21 Years of Age

Important Information

If you have children who intend to immigrate with you to the United States, or to join you in the United States at a later date, please read this important information.

In order to immigrate with you to the United States, or to follow you at a later date, your children **must be unmarried and under the age of 21 at the time they enter the United States.**

Who to notify

If any of your children will turn 21 within 90 days, please notify the Immigrant Visa Unit at the United States Consulate in Rio de Janeiro, immediately.

Note: If visas will be available in your category prior to your son or daughter's birthday, your case will receive expedited processing in order to ensure that your son or daughter will be able to immigrate with you. Unfortunately, the United States Consulate cannot assist you if visas are not available in your category prior to your son or daughter's birthday.

Failure to notify

Failure to notify the United States Consulate in Rio de Janeiro that you have a child who will turn 21 could result in that child being above the legal age at the time your visa is issued. In that event, you will be required to file a separate petition for your child after you immigrate, and your son or daughter will face a waiting period before he or she will be eligible for visa processing.
